

# **Lancashire Fire Authority Pay Policy Statement**

## **Introduction**

In accordance with the Localism Act 2011 (Chapter 8 Sections 38 to 43) Lancashire Fire Authority is required to produce a pay policy for each financial year.

Any decision under powers delegated to the Authority's Constitution with regard to remuneration to be taken in 2021/22 will be bound by and must comply with the 2021/22 Statement.

The Director of People & Development must be consulted prior to any decision impacting on remuneration where there is any question regarding compliance with the Statement.

In general terms the Fire Authority recognises terms and conditions negotiated nationally by the National Employers with the National Employees' bodies for 3 distinct staff groups. These are:

- National Joint Council for Brigade Managers (referred to in Lancashire Fire Authority as Principal Officers) of Local Authority Fire and Rescue Services (commonly referred to as 'Gold Book');
- National Joint Council for Local Government Services (commonly referred to as 'Green Book');
- National Joint Council for Local Authority Fire and Rescue Services (commonly referred to as 'Grey Book').

Under the definitions provided for within the Act, the officers included in this pay statement are the Chief Fire Officer (CFO), Deputy Chief Fire Officer (DCFO), Assistant Chief Fire Officer (ACFO), Director of Corporate Services (DoCS) and Director of People & Development (DoPD).

The Treasurer responsibilities are undertaken by the Director of Corporate Services.

The Monitoring Officer duties are undertaken by the Clerk to the Authority who is engaged on a contract for services basis.

The Fire Authority has delegated responsibility for any local terms and conditions, including remuneration for chief officers, to the Appointments Panel/Succession Planning Sub-Committee.

A chosen natural internal benchmark for Chief Officer pay is the percentage rise in firefighters pay. This is the standard for the majority of staff within the Service and has been deemed affordable and proportionate by the National Joint Council (NJC) for Local Authority Fire and Rescue Services. It has previously been agreed that the Chief Fire Officer's and other Executive Board members pay should rise by the same amount as firefighters when they receive their annual award. The linkage was originally agreed to last for five years and when reviewed in 2018, it was determined to continue the current arrangement, until it was determined a different mechanism was necessary.

Any pay rise will be subject to a satisfactory performance evaluation. This will be undertaken with the Chair of the Authority with regard to the Chief Fire Officer, who will in turn appraise his staff. No bonus payments are made to Executive Board members.

Information relating to chief officers pay and benefits in kind is found in the Fire Authority's Statement of Accounts and on the Authority's website.

### **Objectives of the Policy**

The Fire Authority creates and sustains a competent, motivated and well led workforce, to meet current and future organisational needs and to be an employer of choice with improved working practices, work life balance, personal development, health and well-being and fair pay. We are committed to striving to achieve fairness in pay and reward structures across all occupational groups taking into account all the employment relationships that exist.

Changes from national negotiations generally take place each year, in January (Gold Book), April (Green Book) and July (Grey Book). The Fire Authority's policy is to implement national agreements, amended as needed to meet local needs.

Pay increase in 2020/21 were:

- 2% for staff covered by the "grey book" (wef 1 July 2020);
- 2.75% for "green book" posts (wef 1 April 2020)
- 2% for Principal Officers (wef 1 July 2020), in accordance with the agreed linkage to "grey book" staff and satisfactory performance.

The next anniversary dates for "grey book" and Principal Officers pay is anticipated to be 1 July 2021, whilst the green book pay-award effective date will be April 2021.

In addition to pay the national agreements cover other terms and conditions such as annual leave and allowances for use of private vehicles on Authority business. The Authority pays car allowances in accordance with these national scales.

There are 4 Pension schemes in existence; the Firefighters' Pension Scheme (which became closed to new entrants in 2006), the New Firefighters' Pension Scheme (which became closed to new entrants on establishment of the 2015 scheme), the Firefighters' 2015 Pension scheme and the Local Government Pension Scheme.

All employees may join a pension scheme which is relevant to their occupational group. The schemes are statutory schemes with contributions from employers and the employees.

The Local Government Pension Scheme provides for flexible retirement for which the Fire Authority has approved a Policy statement.

The Firefighters' Pension Schemes allow for re-engagement after retirement. In the unlikely event this is considered, any utilisation of this option is subject to approval by the Authority based on a business case and demonstrated need and will involve abatement.

There are 3 pay grades for Grey Book staff (trainee, in development and competent), a spinal column system for Green Book staff where the policy is to start any appointee on the lowest point of the pay grade, save for where an applicant brings specific skills or experience to a post. In respect of Gold Book staff, they are appointed within a range and progress by incremental movement subject to performance until the maximum of the range is reached.

The “green book” grading is determined and underpinned by the Local Government Job Evaluation Scheme. The salaries utilised are above the ‘living wage’.

A provided car scheme is available to the Chief Fire Officer, Deputy Chief Fire Officer and Assistant Chief Fire Officer. Those Grey Book Managers who are conditioned to the flexible duty system for operational cover a provided car is available or an essential users’ scheme is in operation.

Delegated powers for the payment of honoraria lie with the Chief Fire Officer.

### **Individual Chief Officers**

Changes to chief officer salaries are approved by the Fire Authority.

The chief officers are conditioned to the Gold Book terms and conditions of employment.

A facility exists for the chief officers (either singularly or collectively) to present a case to the Authority (via the Chairman) for a salary increase based on evidence, the overall performance of Lancashire Fire & Rescue Service and an annual appraisal.

Lancashire Fire Authority does not operate a bonus scheme or performance related pay for chief officers.

Chief Officers may claim reimbursement for expenses incurred in the course of carrying out their duties.
