### By Monday 31st August

31<sup>st</sup> August is the closing date of the Esteem Pavilion Challenge.

Students can continue working in their teams to refine/combine their ideas and submit a final team entry - plenty of time during the six weeks holidays (and hopefully some new friendships formed in the process!)

If schools wish to enter their team(s) project(s) into the Class Of Your Own competition, they must register on the website: <https://designengineerconstruct.com/coyo-esteem-pavilion-design-challenge-2020/>

Registration can take place at any time (we recommend after the work experience is complete) up to the closing date.
