

## Covid-19 Response week activities

### Videos at 10am and 1pm

#### FRIDAY ACTIVITY 1

Many schools have been involved in producing PPE for key workers.

<https://www.tes.com/news/coronavirus-schools-make-ppe-nhs-staff>

- a) How have schools been involved and what equipment have they used to make PPE?
  
- b) If you could make anything with a 3D printer, what would you make and why?

#### FRIDAY ACTIVITY 2

Alderley Park is the UK's largest site for Life Sciences companies.

<https://www.alderleypark.co.uk/science-whos-here>

- a) How many different science companies are based at Alderley Park?
  
- b) Have a look at the website <https://www.alderleypark.co.uk/science> Why do you think Alderley Park would be a good place to work?
  
- c) What are the 'Lighthouse Labs'?
