Warrington & Vale Royal College

Our Mission:

We will realise the potential that excellent education and training has to transform lives for the better.

Our Values:

The College will base its future success on upholding what we believe to be our core values:

- We put our learners and customers first - prioritising learners and their learning and progress, delighting our customers;
- We pursue excellence in all we do – a passion for high quality education, training and skills solutions, holding ourselves to the highest possible standards, meeting (and exceeding) targets, making improvements, valuing creativity;
- We are open to change – looking forward to the future, anticipating market needs and demands, maintaining a growth mind-set, exploring new routes to partnership, collaboration and growth;
- We operate ethically and responsibly - acting with integrity, with high levels of accountability and complete transparency, treating others fairly and with respect;
- We recognise that people are our greatest asset – retain and recruit the most talented staff, investing in them to fulfil their potential, creating a wealth of opportunities for personal development and progression, creating a culture of co-prosperity.

FURTHER EDUCATION ZONE

Cheshire College South & West

Cheshire College – South & West offers exciting opportunities for over 10,000 learners, 1,400 Apprentices and 500 Employers to access high-quality teaching and learning at our modern Campuses in **Crewe**, **Ellesmere Port** and **Chester**.

We aim to provide our learners with the skills, experience and qualifications that will prepare them for their future career or higher-level study at the College or university. We encourage our learners to become confident individuals who will make valuable contributions to businesses and the local economy in their future careers.

We offer a range of courses for our local communities from Entry Level to Level 7 in the following:

- A Level
- Full-time courses
- Apprenticeships
- Part-time courses for adults
- Access and Higher Education courses
- Bespoke training for employers
- Maths, English, IT and ESOL courses for adults
- Programmes for International learners
- Futures Programme

We pride ourselves on our strong links with local businesses of all sizes who benefit from tailored training delivered in the workplace or at College Campuses, and from our provision of a wide range of Apprenticeships such as Accountancy, Construction, Engineering and Dental Nursing.

We work with many major local employers across the regions such Bentley, Brownlow Furniture, Ecolab, Vauxhall Motors and Brunning and Price.

FURTHER EDUCATION ZONE

Reaseheath College

Reaseheath College is one of the UK's leading land based colleges based in Nantwich Cheshire. We offer vocational courses from Entry level through to Degree Level and apprenticeships.

We have invested £80 million in leading edge technologies across all areas of our campus to ensure our students leave us industry focused and career ready with 97% of our students progressing into employment or further study. Getting to college couldn't be easier as we have 23 dedicated bus routes running throughout Cheshire, Staffordshire, Merseyside and Shropshire. If you live beyond daily travelling distance we also have on site accommodation for up to 1,000 students.

Student support is extremely important to us and we are proud that in our last three Ofsted Care Standards inspections we have been awarded Outstanding.

We have dedicated maths and English tutors so if you haven't achieved a grade 4 in either of these subjects you can retake your GCSE with us.

It's easy to apply, just go on line and complete the on line application form. One of the tutors from your chosen course will then ring you and conduct your interview over the telephone. You can also check out our dedicated hub for new applicants

Macclesfield College 

Sir Deane's Sixth Form College

Established in 1557, Sir John Deane's Sixth Form College prides itself on a long tradition of academic excellence. We provide specialist A Level provision in more than 30 subjects and are proudly ranked amongst the highest achieving sixth form colleges in the country.

The impressive riverside campus, situated in the heart of Cheshire, welcomes incredible students from across the region along with an outstanding calibre of teaching professionals.

A purpose build, architecturally designed campus sets the scene for a culture and ethos that puts the learning and success of students at the heart of everything we do.
