

WIN a WEX!

One week at Arena Studio

1 week placement – multiple available

Every day is different. You might be working on a mixing job or possibly working on audio files from bands and artists. You may be required to develop the mastering of tracks and it is likely that you will also join in with afternoon tuition in guitar, singing and music technology. There is always a chance of helping to record a new singer or rapper in the studio.

How to Apply

Send an intro video to Chris Cragg at info@arenastudio.co.uk explain why you want to work in music, max 3 minutes
