### 5 Day Work Experience at Dynamics Ltd

#### 1 week placement at Does Liverpool office

Working alongside a team of consultants in our Liverpool office, you will experience a creative, problem-solving environment with lots of technology which supports small businesses to develop embedded software for a number of industries.

The hardware and software that is created can be found in anything from car tracking systems to the national lottery machines, and everything in between.

We are looking for a self-motivated young person who enjoys a challenge and really gets stuck into the world of problem solving and software development

#### TO APPLY...

CV and cover letter: we are looking for a self-starter who can demonstrate their willingness to get involved in extra projects.

Applications to be sent to Alex Lennon at [ajlennon@dynamicdevices.co.uk](mailto:ajlennon@dynamicdevices.co.uk)
