

## WIN a WEX!

### One week or 35hrs over month with Minerva Arts

The Work Experience that **Minerva Arts** provides is that little bit different to what you would expect. There's no tea making (unless you want one), there's no photocopying (unless absolutely necessary but, you know, trees) and there's no 'smart-casual' (unless that's your look).

At Minerva Arts, we all work part-time and are self-employed so really value flexibility and initiative, the ability to communicate well and to work in an independent way. As such, we are happy to offer work experience placements that work in a variety of different ways:

- **One full week**, 10am-5pm at a base in **Chester**. If this is what you need to fulfil an objective in school then that's fine. We use a co-working space in Chester City Centre and you'll have the chance to work with a few different members of staff depending on who is available.
- **The equivalent number of hours (35) spread over a month**, working independently. For this option we will set you a number of tasks and ask you to report back at agreed intervals on your progress. This reflects the way in which many contracts in the arts sector operate.

\*A mini-placement focussing just on working with our young people's groups. We have six different Youth Theatre groups to choose from in different locations. We are happy to have you come on board as a regular volunteer for one or more of these groups. You will set yourself some targets and maybe even take the lead on a project supporting our young people directly.

#### The tasks you will undertake include things like:

- Marketing for our projects
- Prop, set and costume design and making
- Helping us evaluate projects
- Researching new opportunities and designing new projects
- Supporting our Youth Theatre groups and any other outreach workshops

And loads of other stuff, our work is really varied and so will your placement be.

We can't wait to meet you!

#### TO APPLY

Send CV & Cover letter to [liz.parkin@871candwep.co.uk](mailto:liz.parkin@871candwep.co.uk)
