

LOOKING FORWARD TO OUR FUTURE

LEARN LIVE VIRTUAL EVENT • 7TH JULY

Be inspired, be prepared and get all your questions answered!

You have said...

Since Covid-19 lots has changed! Many of you have said you are anxious about the future, worried about what opportunities there are going to be for you and asking for advice on what you can do to put yourself in the best possible position for the future!

What we've done...

We have put this event on to help you manage some of the worry and concerns you have and to help YOU feel more confident about the future and what you can do to make a difference.

Who will be there...

Employers, life coaches, careers advisers, colleges and university staff and many more people including other young people will be available to share insights and hints and tips with you that will inspire and support you!

The event will...

- Enable you to take part in short sessions with people who can give you great advice on coping with all the changes and how to keep yourself positive.
- Help you to sell your best self as a brand in applications, CV and interviews to get the course or job of your dreams.
- Make clear what employers really look for when looking for people to employ.
- Highlight different areas of work and jobs that you may never have thought about.
- Showcase other young people's experiences of getting a job and surviving assessment and interview processes.
- Show you how to find out about apprenticeships or what it's like to go to College or University.
- Help you to determine your Plan B if your Plan A doesn't turn out as you'd hoped this summer.
- Support you to identify your strengths in coping with success or disappointment.

The event will provide opportunities to take part in quizzes, activities, live chats and much more.

Employers taking part include: Adamedia, Atkins, BAE, Balfour, BECBC, Beatty, BEP, Cavendish Nuclear, The Cumberland Building Society, Cumbria County Council, Jacobs, Katherine Jackson Coaching, KBR, Morgan Sindall Infrastructure, NHS, Northern Gas Works, Lakeland Arts, Oxley, Sellafield, Siemens, Story Homes, PPM, theidol.com, Tyson Burrige, Zeitgeist, and many more great employers and organisations for you to chat to!

The information and chats will be available after the event, so if you think of something later you can always ask a question up to 48 hours after the event.
